

Healthy Kids Program Update

As a result of L.A. Care's latest review of funds spent under the Centinela grant, it was determined that there are still spaces available for new enrollees into the Healthy Kids Program for children ages 6-18 in the following zip codes:

90003	90301
90302	90043
90044	90250
90303	90047
90304	90305

Staff conducting outreach and enrollment efforts to families living in these areas should be notified of this information.

Please also keep in mind that the Healthy Kids Program is still open and accepting enrollment for children 0-5.
