

Changes to Dental Care for Adults on Medi-Cal

Beginning July 1, 2009 Medi-Cal will not pay for most dental care for adults 21 and older.

BUT

Adults can still get emergency dental care.

Medi-Cal **will** pay for dental care for children under 21 years old. There is NO CHANGE in dental services for children!

Medi-Cal **will** pay for certain services for pregnant women, including at least 60 days after the birth of the baby. Pregnant women can get dental exams, cleanings, gum treatments and more!

Medi-Cal **will** pay for dental services for adults living in Skilled Nursing Facilities.
