

Receive a \$50 Gift Card for Participating in a UCSF Study of Pregnant Latinas

- Are you a Latina woman ages 15-19 or 22-35?
- Are you pregnant with your first baby?

If so, you may be eligible to participate in a 2 hour interview as part of a research study of Latinas in California!

You will receive a \$50 Target gift card for your time and participation.

If you are interested or to learn more about the study, please contact Julie or Dolores.
