The cards feature artwork by Dolores Carlos, founder of Colectiva Mujeres en Movimiento, MCHA's arts Collective for women, with an inscription inside honoring the recipient "Mom" and news of the generous donation in her name!

Including the apron will help sustain the MCHA-sponsored economic development project, Colectiva Mujeres en Movimiento (Women in Action), our arts and crafts collective. Not only will you be celebrating your mother, but honoring each of the talented mothers who crafted the aprons. In essence, giving numerous gifts at once - what a great present for everyone!
