

WHOSE STATE? OUR STATE!

Scenario 1

What kind of California do WE want?

Scenario 2

A CALIFORNIA BUDGET REFORM WITH PROGRESSIVE TAXES, AND SAFETY NET PROGRAMS FOR ALL

The reduction and elimination of many health and human services in California like- IHSS, HIV/AIDS Prevention, PACT, CalWORKS, Healthy Families, SSI, Food Assistance, Medi-Cal- will be devastating to our communities, state, and overall national economy.

If you or somebody you know is going to be impacted by the cuts, bring their picture and story to send a message to the Governor and Federal government:

CALIFORNIA IS OUR STATE, LET US DECIDE WHICH PROGRAMS ARE VALUABLE FOR OUR COMMUNITIES!
DON'T PUT THE BURDEN OF CALIFORNIA'S BUDGET CRISIS ON OUR COMMUNITIES!
PROGRESSIVE TAXES AND BUDGET REFORM NOW!
