Please share this information with your patients/families/clients who have a child that gets their health services through CCS, Medi-Cal, a Managed Medi-Cal Health Plan, or the Whole Child Model. You can help your patients/clients complete the survey, too.

The California Department of Health Care Services wants to know how CCS, Medi-Cal, Managed Medi-Cal Health Plans, the Whole Child Model and other health care programs are meeting children's health needs. **Please take the survey at the link is below. The survey is voluntary and anonymous. No answers will be linked to anyone's name.**

Title V CYSHCN Family Survey: Share your experiences with getting services for your child, including California Children's Services (CCS).
