

Healthy Kids Expansion to 400% of the Federal Poverty Level Frequently Asked Questions

When will the Healthy Kids Expansion to 400 % of the Federal Poverty Level (FPL) start?

A: The Healthy Kids expansion to 400% of poverty will start June 1st.

Q: When will L.A. Care start accepting applications for the Healthy Kids expansion to 400% of poverty?

A: L.A. Care will begin accepting applications for those at 400% of poverty June 1st.

Q: Will enrollment into Healthy Kids expansion to 400% of poverty be retroactive?

A: No, we will accept Healthy Kids applications at 301-400% of poverty beginning June 1st. Completed applications received by June 19 will begin enrollment on July 1st.

Q: What is the premium for families at 400% of poverty?

A: The premium is \$6 dollars per child per month, the same premium as for families at 300% of poverty.

Q: Will the Healthy Kids Application change?

A: All Healthy Kids certified CAAs will receive a copy of the Healthy Kids Application Insert, which details changes to the application including the expansion to 400% of poverty.

Q: What is the Healthy Kids Application Insert?

A: The Healthy Kids Application Insert identifies the changes made to the application. It reflects the discontinuation of the Healthy Kids 6-18 program, the new income guidelines chart to 400% of poverty, and the premium for incomes between 301-400% FPL. CAAs will replace Page 4 of the existing Healthy Kids Application with the replacement page included in the Healthy Kids Application Insert.
