JOIN US IN LOS ANGELES

Vivian Weinstein was a visionary and leader in recognizing the high stake benefits and barriers to accurate information, planning, and collaboration from policy to service across the Early Care & Education (ECE) Community. In her honor this Leadership Day brings together leaders from the field - legislators, administrators, interested staff, students and parents - to learn from each other, join the discussion, and find strength and partnerships for the critical years ahead.

Join us for a day of dialogue and learning. This conference is designed for early intervention personnel and home visitors to bridge the best practices and research for home visiting. Participants will have an opportunity to hear from state leaders on best practices for home visiting that are essential for providing comprehensive services to young children with special needs and their families. The day will include time for dialogue among Home Visitors across disciplines on partnerships and models.

The California Endowment, Los Angeles, CA

8:30 am Registration and Networking

9:00 am - 3:30 pm Conference
